## Parent-Toddler

18-36 months  
one day per week

## Preschool

3-4 years old  
3-5 day program

## Kindergarten

4-6 years old  
mixed-age transitional

For young children, our preschool and kindergarten program fosters creativity, cooperation, and imagination. It is play-and nature-based.

## Elementary

As children grow older, academics are taught in an age-appropriate way. Our goal is to enable each child's potential to unfold by developing creative, imaginative capacities and skills while building a strong academic foundation in math, language arts, science, geography and history.

## Middle School
